Department of State
Attention: Mr. William C. Howell

FROM: Deputy Director (Plans)

SUBJECT: Letters Received from Soviet Citizens in Response to
the Information Bulletin of the Ukrainian Supreme
Liberation Council

1. Foreign Service Dispatch No. 532, dated February 7, 1961, states that the American Embassy in Moscow had received from forty-seven Soviet citizens copies of the Information Bulletin of the Ukrainian Supreme Liberation Council sent to them through international mail from private addresses in the United States. The dispatch also states that in some ten cases the Soviet citizens had sent covering notes or comments on the Bulletin, protesting its contents and condemning the emigres and the United States for giving them shelter.

2. It would be of interest to this office to obtain the originals of the covering notes and comments from the Soviet citizens and especially the envelopes in which they were sent to the American Embassy.

3. As an attachment we are returning the copy of the Bulletin, the original envelope in which it was mailed from the United States and the envelope in which it was received from a Soviet citizen by the American Embassy in Moscow, all of which were forwarded by the Embassy as attachment No. 1 to Dispatch No. 532.
